HP ENVY SERIES
HP SPECTRE X360

HP Spectre x360 laptop

AI-powered smart features

Auto Frame Technology

HP Spectre x360's 5 Megapixel IR smart camera uses picture-in-picture and speaker tracking to automatically keep you in focus

Gesture Control*

Take control of your content, scroll through photos, play or stop videos & music with a simple hand gesture

Glamcam and backlight adjustment

Enhance the way you look on video calls with the AI-powered appearance filter. Look great even in inconsistent lighting or when there's backlight when you're moving

Auto Color

HP Display control 'Auto Color' gives you precise, accurate colors so what you see is what you get

Screen distance/time reminder*

Screen reminders to help protect your well-being. With screen time and distance reminders, you know when it's time to take a screen break or if you're too close.

AI Noise Removal

AI Noise Reduction and Dynamic Voice Levelling let people hear you clearly – not your dog or the doorbell

Privacy Control

Add next-level protection with an advanced privacy camera, face recognition feature, IR smart camera, and built-in fingerprint reader

*Only available in Spectre x360 16
